

KELLY FLEMING
WINES

2007 Cabernet Sauvignon

WINEMAKER NOTES:

This lovely, elegant Cabernet Sauvignon shows intense ripe fruit aromas of warm raspberries and boysenberries, a hint of cedar and baking spices, and just a touch of toasted almond/vanilla notes. It displays a soft, full-bodied texture at entry, with the juicy berry tones dominating the flavors. As the wine finishes, the warmth of the baking spices reappears, along with a crisp, very fresh fruit character. *Celia Welch*, winemaker.

850 cases produced
